

Citizen's Charter

September 2015

PREFACE

The ability bringing more and more customers into its fold will ultimately depend on the satisfaction of the customers. We have a strong belief that a satisfied customer is the foremost factor in developing our business.

IREDA, in its continued and committed endeavor to provide prompt and quality services to its valued clients, has introduced this Citizen's Charter. The Citizen's Charter is intended to provide information in respect of IREDA's various activities to clients (along with the redressal methods), for their benefit. This Citizen's Charter not only explains IREDA's commitment and responsibilities but also specifies the obligations on the part of clients for a healthy and mutually satisfactory business relationship.

This is not a legal document creating rights and obligations. The charter has been prepared to promote fair business practices and to give information in respect of various activities relating to customer service.

We maintain constant consultations with our customers and seek their feedback to evaluate, improve and widen the range of services provided by us. All our customers are requested to share their experiences about the various services rendered by us and feel free to comment on this charter.

NOTE

Information given in this document is as of September, 2015 and is subject to change/revision.

This document should not be considered as a legal document creating rights and obligations. It is for promoting better understanding with Customer.

Only key information on various services/ facilities is given in this booklet. Each service has its own detailed terms and conditions, which are displayed on the IREDA website or can be made available on request.

For further details/ information, please visit the IREDA website www.ireda.in

CITIZEN'S CHARTER

1. Vision

Energy for Ever...

2. Mission

Be a pioneering participant friendly and competitive institution for financing and promoting self-sustaining investment in energy generation from renewable sources, energy efficiency and environment technologies for sustainable development.

3. Financial services offered by IREDA

Following are the financial services offered by IREDA:

- Term Loan for Renewable Energy and Energy Efficiency / Conservation projects
- Term Loans for Manufacturing of Renewable Energy and Energy Efficiency / Conservation products and components
- Take-out financing from Banks/FIs
- Bridge Loan for SDF, Solar VGF, GBI etc.
- Securitization of Project Receivables
- Short term loan to RE Developers/ Suppliers
- Non-fund services
 - Performance Guarantee to RE Suppliers/ Promoters
 - Underwriting/ Syndication
- Refinance to Banks/ FIs under NCEF Scheme
- Program Administrator for Wind & Solar GBI

IREDA is implementing the Generation Based Incentive (GBI) Scheme of MNRE for Wind and Solar Power Projects. Besides this, IREDA was the Program Administrator for the Rooftop Solar Power Program (<33 kV) under the Jawaharlal Nehru National Solar Mission IREDA is also handling the subsidy program of MNRE for the Solar Water Heating Systems.

4. IREDA's Financing Norms

- The interest rates of IREDA ranges from 11.00% - 13.50% depending upon the Grading of the Borrower.
- The quantum of assistance is upto 75% of the project cost
- The repayment period is upto 15 years with grace period upto 12 months.
- The above interest rates are variable and automatically reset upon expiry of every two years from the date of first disbursement. The first reset is applicable on the date of commissioning.

5. Special Concessions / Developmental Role

IREDA provides concessions to projects located in Jammu & Kashmir, North-Eastern States (including Sikkim), Tribal / Hilly Areas, Islands and Deserts. It encourages entrepreneurs hailing from certain segments of the society viz., SC/ST, Ex-servicemen, Physically Handicapped and Women, for setting up projects.

Projects financed by IREDA by virtue of their location in rural / remote areas, lead to development of rural infrastructure and helps in generation of employment at the local level.

IREDA has a comprehensive policy on Corporate Social Responsibility and Sustainable Development which aims to enhance value creation in society through community development, education, healthcare, disaster management etc. With a view to have intensive approach to the CSR, IREDA has a dedicated CSR Unit to undertake various CSR programs and has a Committee of Directors to oversee the CSR activities.

6. Access to information

- Further details and Information on the activities of the corporation as well as services offered is available in the various publications brought out by the corporation from time to time. These may be obtained from Officers detailed at Annexure `A` under public interface.
- Information regarding operations of the corporation, financial highlights and other important activities are also available at IREDA's Website at <http://www.ireda.in>
- IREDA publishes details of its operational results in leading newspapers every quarter/year as required under company law.

7. Grievance Redressal

- Citizens/ Consumer have a right to approach concerned officers as per Annexure `A` to settle grievances if any.
- A senior officer is designated as Director (Public Grievances).

The Grievances received shall be properly recorded, registered and acknowledged by the Director (Grievance), IREDA immediately/ within 3 working days from the date of receipt of the grievance and a grievance reference/ register number and date will be provided. The Director (Grievance) shall inform the aggrieved party of the progress within a period of 15 working days. The Director (Grievance) will give a personal hearing to every client who wishes to be heard personally and try to resolve the grievance within 30 working days from the date of receipt of the grievance.

If the aggrieved party does not receive any response within a period of 15 days from the date of lodging of the grievance; he/she may write to: Chairman & Managing Director (CMD) as per Annexure-B.

8. Time Schedule

- To govern its operations IREDA formulates operation guidelines outlining the operational philosophy of the corporation and guidelines for financial assistance. The operation guidelines is reviewed from time to time to respond to the changing requirements and emerging needs of the RE Sector:-
- While seeking financial assistance from IREDA, the borrowers are expected to fill up standard loan application formats (available on IREDA's Website at <http://www.ireda.gov.in>) for respective sector (s) of loans. The loan application intra-alia contains a brief preface and instructions to the applicant (Part-I) for filling up the forms for early processing of loan application in IREDA, it is necessary to indicate details as sought in the standard loan application format.
- IREDA shall issue written acknowledgement for each application after receipt of the complete information as per standard application format.
- Application complete in all respects would be processed within a reasonable time frame.

9. Service Standards

IREDA's "Renewable Energy - Energy Efficiency Financing Guidelines" is easily available and accessible to the general public and potential clients of IREDA. The guidelines covers details of schemes, type of projects financed under different sectors and terms and conditions for financing the projects of New and Renewable Sources of Energy. IREDA reviews the financing guidelines from time to time to respond to the changing business environment and emerging needs of the renewable energy sector. The sectors financed and the financing guidelines are also available on IREDA's website at www.ireda.gov.in (Sector Financed → Financing Norms)
