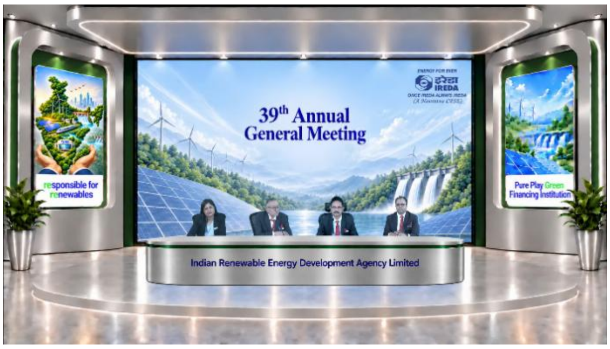
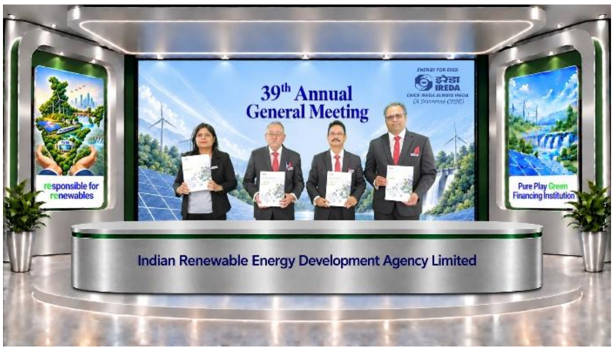
39th AGM: CMD Highlights IREDA's Growth Story and Future Plans, Releases First-Ever ESG Report

New Delhi, 29th September 2026

Indian Renewable Energy Development Agency Ltd. (IREDA) held its 39th Annual General Meeting today through video conferencing from its Corporate Office in New Delhi. Dr. Bijay Kumar Mohanty, CMD and Director (Finance), IREDA chaired the meeting.

Addressing the stakeholders, Dr. Mohanty said FY 2025-26 delivered strong growth. The loan book reached ₹93,069 crore, sustaining a 29% CAGR since FY22, backed by loan sanctions of ₹51,883 crore and loan disbursements of ₹34,946 crore in FY 26. Profit after tax and total income have grown at around 31% CAGR since FY22, while net worth rose to ₹13,781 crore with a CRAR of 20.59%.





Outlining the road ahead, CMD said IREDA will scale up financing in emerging segments such as battery energy storage, pumped storage, green hydrogen and smart meters. Company will also expand global financing through its subsidiary in GIFT City and enhance ease of doing business for borrowers through digitisation and simplified processes.

CMD Mohanty, along with IREDA's Board of Directors, also released its first-ever ESG Report for FY 2025-26. The Report showcases IREDA's efforts to integrate sustainability and responsible business practices into its operations and its role in advancing India's Net Zero ambition and NDC commitments. Dedicating it to all stakeholders, Dr Mohanty said the Report captures IREDA's performance across Environmental, Social and Governance dimensions, reflecting its focus on responsible growth and transparent governance.

Dr. Mohanty responded to shareholders' queries during the AGM.
